Thank you for inquiring about our products . I am a Retired Career Firefighter/Officer after 31yr of service from Northern Illinois. I started my business in 2011 and have sold to Fire Departments and Military bases throughout the US and Over Seas. Our Kids Fire Gear is very well made and very similar to my Department gear without the liner. We do offer free personalization for Fire Departments when using a purchase order and paying with a check. Our Gear price includes : Coat, Pants and choice of Helmet color for the low price of \$59.95. Note our firefighter gear is not design for firefighter training.

We are also the designer, manufacture and sole distributor of the Fire Safety Simulator with US Patent # 10,522,051 . Our product is designed to teach all ages about Fire Safety by bringing awareness to the top hazards in the home. Our information is base off the NFPA current study. Our product includes our lesson plan, information sheet on the specific facts on fires, and safety features in the home as a review. Our product also give you the flexibility to teach from by using a Foam Axe for inside application such as schools to public events, our life-like Fire Nozzle, and Fire Extinguisher with water supply hookup and will work continuously off normal residential water pressure. This extinguisher is great tool to teach age appropriate students. Our unit is supplied with a double wall storage box with foam padding for storage when not in use.

Our Simulator is custom designed for free with your Department Logo, Department Name, Website and your favorite Fire Safety message. To personalize we would need your logo as one of the following formats (Vector, Adobe, or Jpeg File 1 MB +) for the best transfer of your image at six inches on your Simulator. We can provided a list of fire safety messages that have been use or feel free to use your own phrase. Please check out our Website for more information and to see some of our more popular designs with almost 100 past customers.

Our 2021 price \$1,895.00 each with out shipping by UPS Freight.

As far as payment we can process your order with a purchase order and tax exempt letter.

Thanks Again!
